👤 PROFILE

Dedicated Information Technology graduate with a fervent interest in programming and system development. I enjoy spending time learning and I am looking forward to expanding my skills, knowledge and experience in a junior role. I am eager to learn and open to tackling a range of tasks. I am a strong team player and always complete tasks to a high degree of quality and to deadline.

📁 EMPLOYMENT HISTORY

Intern Developer at Razacon Ecommerce, Pretoria

July 2019 — Present

I develop E-business systems using Laravel framework and Vue Js. I sometimes do not use any framework and develop them using PHP and I also maintain software and I also teach clients how to use the systems I developed
